# Announcement

This is the third annual joint sale of Shorthorns from the herds located at Eleona Farms and Hanson Heights Farms. In the first two sales a total of 120 head have sold to critical buyers from fifteen states. This year a consignment from Clear Creek Farms has been added which increases both the number of cattle and the variety of bloodlines to be offered.

Because the fall sale of the Indiana Shorthorn Breeders' Association is to be held at Indianapolis on October 28th, we have again decided to hold our joint sale there this year, so that visitors may attend both events without extra travel. Indianapolis is centrally located, easily reached by all means of transportation, and it has ample hotel accommodations. Sale headquarters will be at the Claypool Hotel.

A banquet with entertainment will be held on Tuesday evening, following our sale, under the auspices of the Indiana Shorthorn Breeders' Association, with our cooperation. All breeders and friends of Shorthorns and all lovers of good livestock are cordially invited to attend this joint sale, the banquet in the evening, and the sale on the following day. More than a hundred good Shorthorns will be presented on the two days and we are confident their quality and ancestry will warrant the careful consideration of discriminating buyers.

As owners of the three herds joining in this sale, we want to express our appreciation to Bert Johnson, Russel Parish, Bill Pepper and Harold Woody, the men in charge of these enterprises, and the other staff members who have been working with them, for their efficient and faithful service throughout the year and the grand job they have done in getting the sale animals ready for your inspection.

**Please bring this catalog with you to the sale.**

# General Information

**LOCATION**—The sale will be held at the Indiana State Fair Grounds at Indianapolis, in the draft horse barn located just east of the Arena. The cattle will be stalled in the same building and the sale room will be heated. The comfort of visitors will be insured in case of inclement weather. The Fair Grounds are located on East 38th Street. State Road No. 37 passes the east gate of the grounds.

**SALE HEADQUARTERS**—Sale headquarters will be at the Claypool Hotel in downtown Indianapolis, at the intersection of Illinois and West Washington Streets.

The sale will start promptly at 12:30 P.M., Central Standard Time, on Tuesday, October 27, 1953.

Lunch will be served on the grounds.

Those who wish to secure further information about the cattle in this sale, or regarding travel or hotel accommodations, should get in touch with Hal Longley, Sale Manager, 16 South Locust Street, Aurora, Illinois.

**AUCTIONEERS**—C. D. (Pete) Swaffar and H. W. Walker and Hoyt Vanderbeck.

**MAIL ORDERS**—Those unable to be present, and who desire to do so, may send buying orders to any of the following men:

Hal Longley, The Shorthorn World, Aurora, Illinois

Ned Place, The Shorthorn World, Aurora, Illinois

Allan C. Atlason, American Shorthorn Breeders' Association, Union Stock Yards, Chicago, Illinois

Lloyd Crouch, The Farmers Guide, Huntington, Indiana, or to the Auctioneers.

# Terms and Conditions

**GUARANTEE**—All cattle in this sale will be sold under the standard guarantee endorsed by the American Shorthorn Breeders' Association. Certificates of registry and transfer will be furnished with each lot sold. Shipment will be made as soon as possible after the close of the sale without trouble to the purchasers, but cattle will be at buyers' risk as soon as bid off. Every precaution will be taken to see that animals arrive in sound and healthy condition.

**TERMS**—The terms of this sale are cash unless arrangements are made in advance with the owner. All settlements must be made with the clerk of the sale immediately at the conclusion of the auction and before the animals are removed.

**HEALTH**—All cattle in this sale have been tested for Bang's Disease within 30 days of the date of the sale. A 60 day Tuberculin retest will be allowed and all cattle are guaranteed to comply with the health regulations of any state into which they may go. Health certificates will be provided with each lot sold.

**LIABILITY**—The above guarantee and terms shall constitute a contract between the seller and buyer of each lot. Neither the clerk of the sale, nor the individual designated as Sale Manager assumes any liability, legal or otherwise. Where footnotes appear in this catalog they were furnished by the owners. We will not be responsible for any accidents that may occur, but will make every effort to provide for the comfort and safety of our guests.

**INQUIRIES ABOUT CATTLE LISTED**—The Sale Manager will gladly answer, to the best of his ability, any question which may arise in the minds of prospective buyers concerning the breeding and quality of any animals listed in the catalog. Such correspondence should be addressed to Hal Longley, Sale Manager, 16 South Locust Street, Aurora, Illinois.

**PLEASE NOTE**—Several animals in this sale are in our 1953 Show herds. In such cases we will want to retain them for delivery following the International in early December. Announcements will be made on sale day.

**All females in this sale are officially vaccinated for Bang's and the three herds contributing to this sale are all under federal supervision for Tuberculosis.**

THE SALE  
OF THE  
YEAR FOR  
CAREFUL  
BUYERS . .

A sweet group in the pasture at Clear Creek Farms. Each production from this herd represents a true combination of good quality and good conformation.

**From three great herds comes an offering that will appeal to those who seek to build on the strongest possible foundations.. Here indeed are Shorthorns that are right in TYPE, right in BREEDING and right in CONFORMATION . . . Here indeed are bulls and females that will work improvement wherever they go.**

Don't forget that the Annual Fall Show and Sale of the Indiana Shorthorn Breeders' Association will be held in the same pavilion at the State Fair Grounds in Indianapolis on Wednesday, October 28th, the day following the Elcona-Hanson Heights-Clear Creek Sale. Approximately 120 head of outstanding Scotch Shorthorns will be sold in these two important sales.

"The Hanson Heights Kind"

## Much Depends on WHERE You Buy . . .

*It does make a difference where you buy and from whom you buy. Wherever you go you will find that cattle of Elcona, Hanson Heights and Clear Creek breeding are improvers and that the men who produce them are held in highest esteem. In my opinion no trip is too long and any cost of travel is perfectly justified when Shorthorns of such outstanding individuality and bloodlines are to be sold. If I were starting a herd myself, I would want the kind that are being offered in this sale and I would want men like Ernie Sims, Hollis Hanson and Marion Woody to be behind them.*

*Hal Longley  
of The Shorthorn World*

# How to be perfectly SURE

*First*—Talk to any breeder who has visited Eleona, Hanson Heights or Clear Creek Farms and he will tell you that three of the finest cow herds in existence are on these farms. He will also tell you that the herd bulls presently in service are siring calves that answer the requirements of the most exacting judges.

*Second*—Talk to any breeder who knows the owners and managers of these herds and he will tell you that they are among the most highly respected persons in the Shorthorn industry.

*Third*—Talk to any breeder who has bought from these herds and he will tell you that these animals have been sure improvers.

*Fourth*—Study the breeding of the members of these herds and the methods used to insure the proper development and good health of each calf. You will agree immediately that there is a guarantee of performance in every animal you buy from Eleona, Hanson Heights and Clear Creek Farms.

**NOTE—On the next ten pages of this catalog you will find the pictures and pedigrees of many sires that have served in the herds contributing to this sale. Study the records of these sires and note the strength of the bloodlines. This is not just another cattle auction. This is the sale of the year for buyers who want the right combination of top individuality and top ancestry.**

**KIRKTON GAMBLER.** Six bulls and seventeen females in the Clear Creek Farms consignment to this sale are by this famous son of Naemoor Marshal. His record has few equals in the history of the breed. His first five calves were placed on the market late in the year of 1952. All were sold at public auction where they competed with the sons and daughters of other leading sires. The fact that they were purchased by discriminating buyers at an average of \$4,340, a record for the first five calves by any sire, provides positive proof that Kirkton Gambler is one of the greatest sires in the history of the breed. This is the first opportunity to make selections from a large number of calves by this famous sire.

We purchased him because we felt he would be a perfect cross on the daughters of Kirkton Gambler.

**STROWAN SOUVENIR.** We bought him because he seemed to have everything we wanted in a herd bull. Our judgment has been vindicated by his winnings at 1953 shows. He was the senior and grand champion bull at Crown Point and reserve senior and reserve grand champion at both the Ohio and Indiana State Fairs this year. His service will be a feature in this sale.

(Right) These four calves by Imp. Cruggleton Bounce won first prize in the get-of-sire class at the 1948 International Live Stock Show. The largest bull in this group is Sunset Bounce, reserve champion at the same show and now one of Hanson Heights herd bulls.

(Left) Cruggleton Bounce, one of the most famous imported sires ever to come from Scotland. Hanson Heights acquired him through the purchase of the entire Otis Carter & Son herd. He is recognized as one of the breed's great improvers.

Broadfields Air Eagle, champion sire over all breeds in the 1947 and 1948 Indiana Gold Medal Contest, by Broadfields Air Pilot. He was used with great success in the Hanson Heights herd and much of his blood will be found in this sale.

Supreme Conqueror, a son of the noted Calrossie Supreme that made a fine record in the Hanson Heights herd. His dam was the famous imported cow, Millhills Jealousy 10th, by Tarvas Banner Bearer. Many of his daughters were retained in the herd.

The record of his progeny in show and sale ring since 1945 has established him as one of the great Shorthorn sires in this country. The Royal Leader-Mercury cross, which he represents, has still not met an equal for producing top Shorthorns over an extended period of years. He is the sire of three bred heifers in this sale. ELCONA ELVIN. Four of the bulls and six of the heifers in Elcona's consignment to this sale are by Elcona Elvin and four other heifers carry his service. The ten sons and daughters are typical of the uniformly high quality of the forty calves which he has sired so far at Elcona. Every ancestor in the first three generations of his pedigree was bred by "Bertie" Marshall, except one. Ascreavie Duthie, the exception, does not detract from its strength. Both Les Mathers and Johnny Blume reported that Marshall was depending a great deal on Cruggleton Elvin to maintain the great tradition and reputation he had built up over the years. In the Cruggleton dispersal of October, 1952, twenty-one sons and daughters of Cruggleton Elvin averaged \$1800.00. Offspring of other sires in Elcona Elvin's pedigree sold for excellent prices also. Sixteen by Assheton brought \$1700.00 and twelve by Annexe made \$1900.00. Two by Brunel averaged \$1650.00 and eight by Willingdon \$1800.00. These fifty-nine Shorthorns sired by five immediate ancestors of Elcona Elvin averaged nearly \$1800.00.

SUNSET BOUNCE 23d. This is the oldest of Elcona's junior herd sires. Every bull in his pedigree has left an impressive record of breed improvement. The offspring of Cruggleton Bouncee, first in the hands of Otis Carter & Son and then at Hanson Heights Farm have always been top contenders in every competition in which they have been entered. We have retained seven daughters and two sons of Sunset Bounce 23d so far in the Elcona herd. Two of the heifers in this sale, Lots 6 and 9, carry the service of one son, Elcona Campeon Bounce. His mother is a daughter of Edellyn Campeon Mercury, greatest son of Calrossie Mercury.

Here are the dams of many of the animals in the Elcena consignment. Each cow is a daughter of a nationally famous sire, each is a grand individual and a great producer.

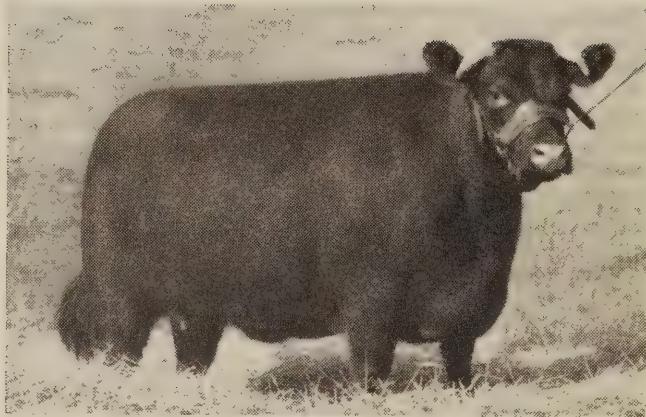

Elcona Baroness and Elcona Fragrance 2d, typical daughters of Edellyn Royal Leader 22d. Together they won second prize in the class for two females at the 1949 International Live Stock Show and both were members of the second prize get-of-sire.

**ELCONA FEARLESS ELVIN.** It would be difficult to write a more impressive pedigree than this one. The six bulls in the second and third generations have all made records that rank them among the top Shorthorn herd sires of recent years. Back of these also in the next generation are such other famous names as Bapton Air Pilot, Calrossie Control, Cruggleton Annexe, Cruggleton Willingdon and Ascreavie Duthie. We have kept one daughter of Kair Fuchsia in the Elcona herd.

**H H F IMMACULATE BOUNCE.** The record of his famous sire, Sunset Bounce 25th, appears on another page in this catalog and includes many grand championships. His grandsire, Cruggleton Bounce, achieved great success and is recognized as one of the great improvers in breed history. H H F Immaculate Bounce has inherited from his famous sire a rugged, smooth, compact body that is deep and thick and fronts with a strong head. His imported dam is a grand cow and comes from the much celebrated Drynie Prince Royal family. Here is a prospective herd sire that is backed by some of the best imported blood. His fortunate new owner will be heading toward the top.

**H H F FASHION BOUNCE.** A top 1953 prize winner. He was the junior and reserve grand champion at Crown Point and stood second in a very strong senior bull calf class at both the Indiana and Ohio State Fairs. We think our Bounce breeding has blended well with that of Broadfields Air Eagle. Fashion Bounce is of that combination, short legged, squarely built, thick, deep, smooth and with a good head. He is from the same dam as our senior heifer shown so well last year and of the Doris heifer that was sold in our 1950 sale. The individuality and pedigree background entitles this young bull to a position at the head of a great herd. Look him over for sure.

H H F AIR JEALOUSY B. In this beautiful red Jealousy heifer we believe we are presenting for your consideration one of our very best productions to date. You, one of our many Shorthorn friends, are well acquainted with the production and show record of the sire, Sunset Bounce 25th, and the grandsire Cruggleton Bounce, as well as of Calrossie Fearless and the two Bapton Air Pilot bulls. Her dam was one of our top show heifers for several years and is now doing her share in the breeding herd. Her imported granddam, Millhills Jealousy 10th, is really a great producing cow. Wallace Campbell said that Millhills Jealousy 10th was the best heifer of her time when imported from Scotland. We feel sure Mr. Duncan M. Stewart would approve of the way we have carried forward his Jealousy family. This Jealousy family should have an inspiring effect on all lovers of Shorthorns and we hope you will come and look her over. She sells open.

This pair of females won first prize for Hanson Heights Farm at the Crown Point Fair and the Ohio State Fair in 1953. The heifer at the right of the picture is H H F Air Jealousy B, Lot 22 in this sale.

**H H F ELIZA B.** A very choice Sunset Bounce Eliza heifer. She was intended for our breeding herd, hence you will not find her in as high fit as some. Nevertheless, you will find her a quality female with quality breeding. She was bred on May 16, 1953, to H H F Air Monarch, he a son of Broadfields Air Eagle whose blood is so prominent in our herd, and out of Lavender Daisy 3d, the dam of two females in our previous sales, one selling to Kickapoo Farms and the other to Clear Creek Farms. This heifer is very breedy and her pedigree is pleasing to analyze. Note that her dam is a granddaughter of the Perth champion, Calrossie Souvenir. Check her on sale day because she could prove to be one of the best buys.

**H H F LANCASTER B 2d.** Here is a beautiful red daughter of Sunset Bounce. Her dam, a daughter of Glenburn Royal Flush, puts forth an effort every year to produce a good calf for us and this little Lancaster lady will do the same for you. John Blume of Marellbar Farms purchased a sister in our last sale. This is the youngest female in the sale but is the kind you can afford to wait on. She sells open.

**H H F AUGUSTA SANDRA.** A beautiful roan, smooth and very feminine appearing, sired by the champion Sunset Bounce and out of Augusta Sandra of Sunset that placed first at the Illinois State Fair and second at the Chicago International. Note that Augusta Gentian was the dam of the second high female in the 1949 Otis Carter sale. Truly this is a good Marshall Augusta pedigree and surely a popular line of breeding to mate with your herd bull. She sells open.

Hanson Heights productions are purchased by discriminating breeders. The three heifers shown above were sold in our last sale to Hi Ho Farms, Phoenix, Maryland, and Crown Crest Farms, Lexington, Kentucky.

Another trio of heifers purchased at Hanson Heights Farm. These were sold in our last sale to M. H. Woody, Greentown, Indiana; Hi Ho Farms, Phoenix, Maryland, and Edellyn Farms, Wilson, Illinois.

We like to see our cattle do well for their new owners. Above is shown the heifer H H F Butterfly B by Sunset Bounce. She was purchased by The Hickories, Pardeeville, Wisconsin, at \$760 in our 1950 sale. They had the thrill of winning grand championship at the 1951 Wisconsin State Fair on her.

H H F BUTTERFLY DORIS B 2d. This is a Sunset Bounce heifer for those who like to buy them young and develop them themselves. She is a full sister to H H F Butterfly Doris B, the heifer given by Hanson Heights Farm at the Indiana State Fair as the achievement award to Edwin B. Henry on completion of his 4-H club work. Her dam, by Calrossie Fearless by Calrossie Control, is a real cow and this daughter is certain to become equally valuable.

With head up he displays the same exceptional width along with character and style.

This is Scottish Bounce, head of the herd owned by Dr. Albert F. Jackson, Tuscaloosa, Alabama. Dr. Jackson purchased a heifer bred to Sunset Bounce at \$800 from Hanson Heights Farm and this calf resulted from the mating.

With head down he displays great width of front and marvelous spread of rib.

Here are some daughters of Imp. Cruggleton Bounce and Broadfields Air Eagle that have been retained in the Hanson Heights Herd. The bull in the pasture is Sunset Bounce 15th, now in service at Whitecroft Farms, Noblesville, Indiana.

Here again is a bull that will appeal to those who want the combination of quality, true type and weight-for-age. This bull weighed 900 pounds at 54 weeks old. His dam is the granddam of Clear Creek Gambler, top bull of the 1952 International Congress Sale at \$6,000, and this same family produced a bull and a female that were both Indiana State Sale reserve champions.

**GAMBLER'S EAGLE.** We believe him to be the best son of Kirkton Gambler yet exposed for sale. We exhibited him at the 1953 Ohio and Indiana State Fairs and he was first in a strong class at both shows. At the Ohio State Fair he won the junior championship and at Indiana he won the reserve junior championship. For those who like perfect balance, quality, leg placement and a great head, he is certain to please. And to those who like weight-for-age, we remind you that this bull weighed 900 pounds on his first birthday. His dam is one of our good daughters of Robinwood Bombardier.

CLEAR CREEK HELEN 6th. We want someone who appreciates a strong family background to buy this heifer. The family has produced many state sale champions and top sellers. Best of all, this heifer is in calf since May 26 to our junior herd bull Realization, an imported-in-dam son of Kirkton Great Expectations by the noted Kirkton Baronet. She is certain to produce a great calf to this service.

# Yes . . . He Is A Great Sire!

**Who decides whether a bull is a great sire?**

**The public, of course . . . and the public has decided in favor of KIRKTON GAMBLER.**

The first five calves by Kirkton Gambler were placed on the market late in the year. All were sold at public auction where they competed with the sons and daughters of other leading sires. The fact that they were purchased by discriminating buyers at an average of 4,340, a record figure for the first five calves by any sire, provides positive proof that Kirkton Gambler is one of the greatest sires in the history of the breed.

**\$6,000** Clear Creek Gambler, top selling bull in the 1952 International-Congress Sale. Sire, Kirkton Gambler. Purchased by D. L. Coffey, Lindsay, Oklahoma, and J. A. Collier, Fletcher, Oklahoma.

# **Standard Guarantee of the American Shorthorn Breeders' Association**

1. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.
2. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.
3. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.
4. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction of all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.
5. All animals are sold to comply with the laws regulating Tuberculosis and Bang's disease of the state or country into which they may be shipped.
6. Certificates of registry and transfers will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females, showing names and record numbers of sire and dam, as well as service date.
7. Shipment will be made as soon as possible after the close of the sale, but at purchaser's risk of loss or injury after animal is bid off.
